

# YOUR CAUSE

Words and Music by Joel Shannon

## Verse 1:

This broken road on which I stand  
My only prayer you'll hold my hand  
Stay with me forever more  
Everything I am all for your cause

## Verse 2:

Your kingdom come, Your will on earth  
I devote my life to build your church  
You see my heart, open the doors  
Everything I am all for your cause  
Everything I am all for your cause

## Chorus:

Millions of children starving  
Left without a place to call home  
Lord God use me

Eight billion hearts are waiting  
A whole planet seeking, searching for a hope  
You're all they need

## Verse 3:

And when I'm down and darkness rains  
I remember this through Your grace I'm saved  
These chains are gone, they don't hold no more  
Everything I am all for your cause

## Bridge:

So from this moment on  
Every day I'll sing Your song  
To Your cause,  
To Your cause Lord I belong

For all that I have seen  
And for what You've done in me  
Lord I give my life my whole life  
My everything I am all to You

## Verse 4:

Take my life, have you way  
This moment and all of my days  
My whole life, I give it all  
Everything I am all for your cause
